The messiah was to fulfill prophecy written in the books of Moses and all the prophets. What was the messiah to be like? Has the messiah already come? This treatise contains a list of over 200 prophecies and types for personal study.

## BACKGROUND

After the sacrificial death of the Lord Jesus Christ, two of His disciples were walking on the road to the city of Emmaus. Jesus, seeing their despondency in regard to current events, made the following statement:

"O foolish ones, and slow of heart to believe in all that the prophets have spoken! Ought not the Christ to have suffered these things and to enter into His glory?" *And beginning at Moses and all the Prophets, He expounded to them in all the Scriptures the things concerning Himself.* Luke 24:25-27

Notice that Jesus *began* his sermon with Moses and the prophets. He must have continued in relation to His second coming as well. How I wish we had such a record! Perhaps this information was later passed on to Paul and used as a basis for some of his epistles.

The idea of the messiah being described in prophetic terms is not a new one; for King David made the same prophetic correlation concerning the coming messiah.

Sacrifice and offering You did not desire; My ears You have opened;  
Burnt offering and sin offering You did not require. Then I said, "Behold, I come; *In the scroll of the Book it is written of me.* I delight to do Your will, O my God, And Your law is within my heart."  
Psalm 40:6-8

When the messiah, who is described in various forms in the Hebrew Bible, comes into the world; what will He be like? What will He do? What will He say?

Listed on the following pages is over 200 of the 333 prophecies that were to be used to identify the messiah. Study for yourself and see if Yeshua (Jesus) is or is not the coming Hebrew messiah.
